## President's Report

from Bill Georgantis

Once again welcome to each and every supporter on this special day at Middle Park. We all eagerly await this time of the year, when the giants of Sydney and Melbourne meet in "The Greek Derby". These matches are always close with everyone giving their all for the sweet fruits of victory. I would like to extend a warm welcome to the Sydney Olympic players, committee and supporters.

Our great team continues to shock everyone with it's fresh style of play and courage. **Each player is to be congratulated for their efforts so far this season.** The fine results we have achieved have been far beyond any expectations anyone may have had and serve as evidence of the tireless work put in by our **Coach Brian Garvey**, and the support behind the scenes of my Committee.

We would like to thank  
the Major Sponsor for 1988:

also thanks to our other sponsors:

## Supporters Club

There is often alot said about our Major Sponsors and the support they give our great club, but sometimes we forget a very important body that is always working for South Melbourne Hellas. In as much as the Major Sponsors provide greatly appreciated help, our very strong SUPPORTERS CLUB is always on hand, working and sponsoring their team. Often this work is taken for granted, today we would like to thank them on behalf of the players and committee for all that they have given over the years.

## Youth Team

The Hellas Youth Team still maintains it's good form thanks to the dedication of it's players and coach. Steve Short is doing an excellent job this year as he did last year in producing future prospects for the first team. In this year, at time to time, we have seen some fine players from last years Youth team promoted to the Hellas first team. Con Giatas, Kim Taliadoros, Paul Fernandez are evidence of the successful youth policy that Hellas is maintaining, irrespective of results.

Some of the fine young players in the South Melbourne Hellas team  
at back; Steve Tasios, Angelo Postecoglou (Australian Squad), Paul Foster,  
at front: George Kalogeros and Paul Trimboli (Australian Squad)

## Hellas Youth Club

On Friday night a great deal of hard work paid off as our Youth Club kicked off with an extremely successful function. The Abruzzo Club in Lygon Street was shaking with the dancing which went on, both Greek and Disco (not to forget the head-banging). Many congratulations must be extended to those who were responsible for all this effort, primarily the Youth Club Committee which comprises of:

George Karabatsos  
Helen Valkanis  
Eva Veis  
Marina Veis  
Stas Tsaloukis  
Angelo Karageorgiou

The night was thoroughly enjoyed by all and the enormous turnout was very encouraging. This was the first of many events to be staged by the Youth Club, everyone is welcome so please join in and become a member.

## 1988 Sponsors

At this stage of the year we would like to thank our many sponsors and supporters. As is so often said without their support South Melbourne Hellas would not be able to function as a major sporting club, let alone reach the heights it has risen to recently on the field and off. We extend our sincerest thanks to all our major and minor sponsors and ask that as Hellas supporters you intum support our sponsors with your patronage. A special thankyou must go to Con Philios of Montague Body Repairs for his help.
